### Contract of Consulting, Application and Outfitting Services

I CERTIFY that the statements on this application are true and correct and I hereby authorize any involved State Wildlife Department to make further inquiries to verify these statements. I understand the rules of eligibility for application for licenses and permits, I am eligible for the license(s) or permit(s) applied for and I will not apply for the same hunts I have instructed Worldwide Trophy Adventures TAGS, LLC, a Michigan limited liability company or its affiliates ("WTA") to apply for on my behalf. In contractual agreement with WTA, where a hunt is applied for, and upon successful drawing of any permit(s) in which funds were floated to my account, I promise to reimburse WTA the amount for the permit fee(s) drawn and if necessary, any other associated fees or cost for collection in case of nonpayment as outlined in the terms and conditions. I UNDERSTAND that my use of the services of WTA does not guarantee or imply that a permit will be drawn and does not increase the chances that a permit will be drawn by the applicant. If the applicant is successful in drawing a permit(s), WTA has the option to hold the permit(s) in its possession until reimbursement from the applicant for the permit fee(s) is received by WTA. Accordingly, WTA reserves the right to charge applicant's credit card as reimbursement for the cost of the permit fee(s) and/or refund checks issued by state wildlife agencies that have been funded by WTA. By my signature below, I have READ, UNDERSTAND and AGREE to the Terms and Conditions as stated in this application.

### TERMS & CONDITIONS

WTA does not guarantee or imply that a permit will be drawn and does not increase the chances that a permit will be drawn by the applicant. Limitation of Liability: In case of any error(s) on a client application that results in rejection of the application, WTA's liability is limited to the application fee and service fee charged for said application. WTA assumes no, and shall have no, other liability for any loss, expense, damage, accident, delay, inconvenience, injury or death which results (including, consequential or punitive damages), directly or indirectly, from the drawing of any permits and any resulting hunting and related activities, whether successful or unsuccessful, that may be undertaken. WTA has the option to hold the permit(s) in its

possession until reimbursement from the applicant for the permit fee(s) is received by WTA. Accordingly, WTA reserves the right to charge applicant's credit card as reimbursement for the cost of the permit fee(s) and/or refund checks issued by state wildlife agencies that have been funded by WTA. Should a reimbursement/refund check be sent from any State Game and Wildlife Commission or other similar entity to applicant personally, applicant must return the check or provide equivalent certified funds to WTA within 10 business days of receipt. If applicant does not return the check or provide equivalent certified funds to WTA within 10 business days, applicant understands and authorizes WTA to charge his/her credit card for reimbursement of license and associated fees, including credit card fees. If WTA is not paid in full within the 10 business days, applicant agrees that the failure to reimburse WTA will be considered a theft of WTA property and agrees to pay all attorney's fees and costs associated with the collection of said funds whether suit be brought or not. Applicant agrees to be responsible for the costs should a license be drawn. Applicant agrees that he/she shall be responsible for the return of any deposits and/or payments due to WTA should a check be reimbursed to applicant. Applicant agrees that he/she will be responsible for payment of all license fees should a tag successfully be drawn. WTA will charge applicant's credit card for reimbursement/refund of said license and all associated fees, including credit card fees. Any adult who witnesses/signs for an Application Form for a minor assumes all liabilities and fees for said minor. Entirety: This instrument sets forth the entire agreement between WTA and applicant. Should any provision of this Agreement be void or unenforceable, the rest of this Agreement shall remain in full force. This Agreement may not be canceled, altered, or amended except in writing signed by applicant and WTA. Choice of Law: Any disputes which may arise between WTA and the applicant arising out of the services provided herein shall be heard solely in the appropriate state or federal court located within the State of Michigan and in no other jurisdiction. Applicant specifically submits to the personal jurisdiction of such court within the State of Michigan, County of Kent, or the Western District of Michigan and irrevocably waives any objections either may have based on improper venue or forum non conveniens to the conducting of any proceeding in any such court. Applicant agrees that Michigan law shall govern the rights and liabilities of the parties, without regard to conflicts of law principles.

### Limited Power of Attorney with Durable Provision

TO ALL PERSONS, be it known, that I, the above applicant, do hereby make and grant a limited power of attorney to any authorized representative of WTA, and do thereupon constitute and appoint said individuals as my attorney-in-fact with full power of substitution and revocation. My attorney-in-fact shall have powers and authority to do and undertake such acts on my behalf that I could do personally, which arise out of or are related to the application for hunting licenses and associated permits indicated on this application or as otherwise directed by me, with full power of substitution and revocation. Without limiting the generality of the foregoing, the power of attorney granted hereby, includes, but is not limited to, the powers to (i) execute any and all hunting license and permit applications and any and all documents incidental thereto or associated therewith, (ii) to do all things reasonably necessary to complete any hunting license or permit applications required by any state, local, federal or other governmental authority, including executing contracts or agreements with third parties that are or may be a prerequisite thereto or a requirement thereof, (iii) if I have chosen the state of New Mexico in this application or otherwise directed WTA to apply me in New Mexico, to apply my name (and sign on my behalf), into the New Mexico guided-pool and enter into agreements or contracts on my behalf with a legal New Mexico outfitter of WTA's choosing to satisfy state requirements and endorsement of such license and permit funds, (iv) to charge my credit card for payment, reimbursement or refund of any such license and permit funds that may be contemplated by this application or any other agreement with WTA, (v) to accept and cash any refund checks from any state, local, federal or other governmental authority, where money was advanced by WTA on my behalf, including, but not limited to, in the state of Colorado. Any authorized representative of WTA, as my attorney-in-fact, hereby accepts this appointment subject to its terms and agrees to act and perform in said fiduciary capacity consistent with my best interests as he or they, in their discretion, deems advisable, and I hereby affirm and ratify all acts so undertaken. Until revoked by me or my personal representative (in the case of a total disability), in writing, this power-of-attorney shall continue in full force and effect. My attorney-in-fact shall have the authority to disclose this power-of attorney to any third party, in his or their sole discretion.

\_\_\_ I would like to apply in an area with the greatest potential to harvest a Boone and Crockett animal. I realize this usually means contending with more difficult draw odds and also comes with the potential of seeing fewer animals.

\_\_\_ I would like to apply in an area that comes with better odds of drawing a tag and gives me the best chance of harvesting a good representative trophy.
